

A close-up photograph of a person's hand, with fingers spread, working on a mosaic. The hand is positioned in the upper left quadrant, with the thumb and index finger holding a small, dark, rectangular tile. The mosaic itself is composed of many small, square tiles in various shades of brown, tan, and beige, arranged in a grid-like pattern. The background is a textured, light-colored surface, possibly a wall or a large piece of fabric, with some of the mosaic tiles already in place. The lighting is warm and focused on the hand and the tiles being worked on.

WORLD, IT'S
TIME TO TALK
TO THE HAND.*

The hand that *SHAPES, STITCHES, CRAFTS*, and otherwise transforms a cold, hard world into a reflection of the warmth of the human spirit. In praise of the hand and the artisan behind it, *WE CREATED HOMAGE*.

Made of Eco Solution Q® fiber and EcoWorx® backing, the collection is *FULLY CRADLE-TO-CRADLE* and coordinates beautifully with our new and luxurious Wool collection.

Homage is a tribute to process and product, art and craft, *MAN AND MACHINE*.

ALL IN AGREEMENT, PLEASE RAISE YOUR HAND.

EMBELLISH tile

The Egyptians used glass. Native Americans favored seeds. The Romans used pearls. We envisioned a totally new mode of adornment: *METALLIC SLASHES* against a subtly textured, linear background.

BLOCK PRINT tile

Chinese block printers created *BOLDLY PATTERNED TEXTILES* as early as the year 220. The technique served as the inspiration here. The design is further enhanced by gleamy fiber accents that have the look of handwrought stitching.

CRAFT tile

Charles Eames once said, "we are deeply in need of the values which come under the head of 'craftsmanship.'" We echo that sentiment in Craft, a richly textured pattern that features rows of silvery metallic fibers *WEAVING IN AND OUT* of the background.

SHIBORI

Shibori involves tightly binding sections of cloth to create *INTRICATE PATTERNS* when the cloth is dyed. The look and feel of the ancient Japanese art is celebrated here in sophisticated neutral hues that form a chic, hombre pattern.

SEWN

Echoing the beauty of *HANDMADE EMBROIDERY*, Sewn's delicate, shimmering threads appear to be stitched into the richly hued background.
