

NewNormal\_136

NewNormal\_141

A close-up photograph of a dark blue, textured fabric, possibly a carpet or heavy-duty cloth. The fabric has a pebbled, granular texture. Four vertical stripes of a gold or tan color run parallel to each other across the width of the image. The stripes are evenly spaced and have a slightly raised, ribbed appearance. The overall lighting is even, highlighting the intricate details of the fabric's weave and the texture of the stripes.

NewNormal\_506

NewNormal\_531

A close-up photograph of a blue carpet with a dense, textured pile. The carpet features several vertical stripes of different colors: a gold stripe on the left, an orange stripe in the middle, and a red stripe on the right. The stripes are slightly irregular and run vertically across the frame. The overall appearance is that of a high-quality, patterned carpet.

NewNormal\_556

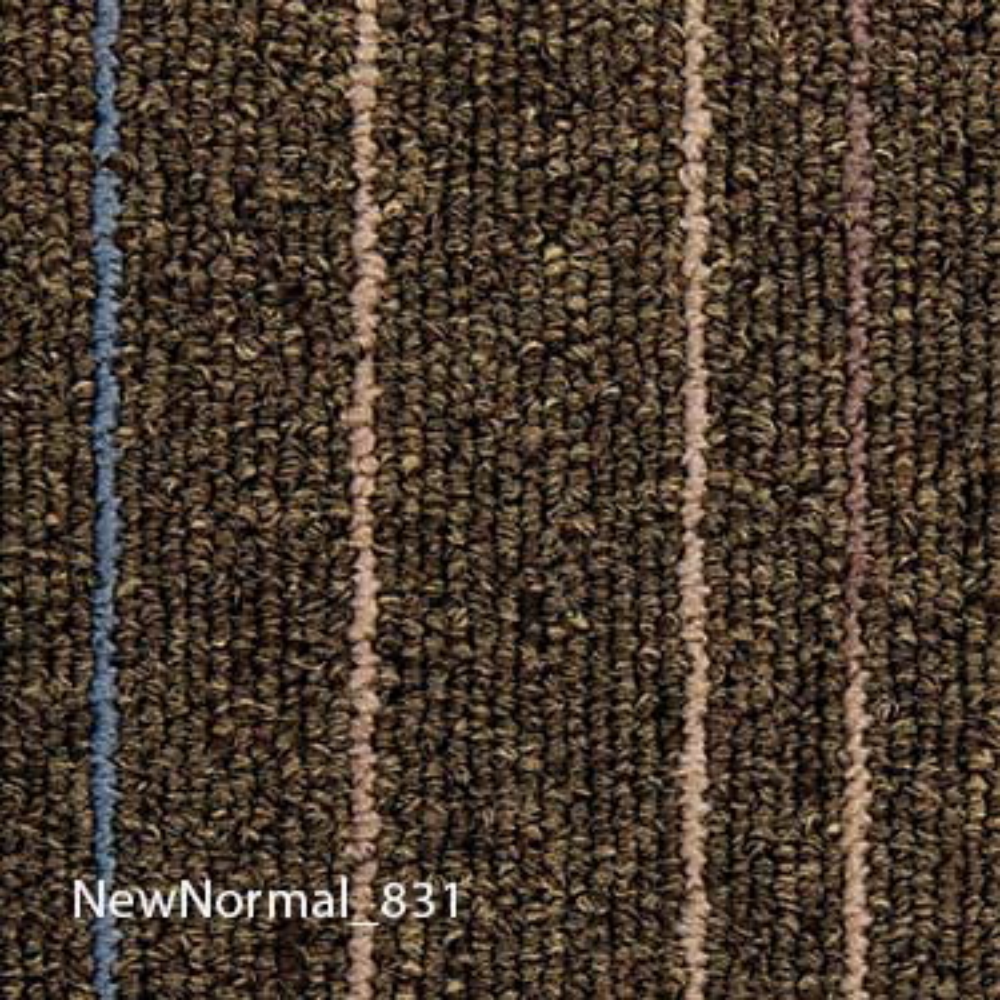

The image shows a close-up of a dark blue denim fabric. The fabric has a distinct pebbled texture. There are several vertical stripes running down the length of the fabric. One stripe is a lighter, medium blue color, and another is a brownish-tan or tan color. The stripes are evenly spaced and run parallel to each other. The overall appearance is that of a high-quality denim material, possibly used for jeans or a similar garment.

NewNormal\_571

A close-up photograph of a dark brown, textured carpet. Two vertical orange lines run parallel to each other, one on the left and one on the right. A vertical white stain is visible in the center, between the orange lines. The carpet has a dense, looped pile texture.

NewNormal\_826

A close-up photograph of a dark brown, textured carpet. The carpet has a dense, looped pile. Three vertical stripes run down the length of the carpet: a blue stripe on the left, a tan stripe in the middle, and a purple stripe on the right. The lighting is even, highlighting the texture of the fibers.

NewNormal\_831

A close-up photograph of a grey, textured carpet. The carpet has a dense, pebbled texture. Four vertical lines of different colors run parallel to each other across the carpet: a yellow line on the far left, a brown line, a dark brown line, and a red line on the far right. The lighting is even, highlighting the texture of the carpet fibers.

NewNormal\_936

NewNormal\_961

The image shows a dark, pebbled texture, possibly a carpet or fabric. There are several vertical lines running through the texture. From left to right, the lines are: a thin brown line, a wider orange line, a thin brown line, and a wide red line. The texture is composed of small, irregular, dark grey or black granules.
